## Summary of Services

---

Above & Beyond Learning is committed to providing the services described herein. Our proposal further outlines our ability to provide the requested services, which include:

- **Instruction:** Students will be pre-assessed, receive individual (1:1) face to face, virtual or blended tutoring sessions or small group face to face, virtual or blended tutoring sessions and then will be post-assessed upon completing the program. We offer tutoring in K-12<sup>th</sup> general education courses – including services for all students (Tier 1, Tier 2, Tier 3, English Learners, Exceptional Students with an active Individual Education Plan (IEP) or 504 Plan)
- **Structure:** Afterschool, Saturday Academy, During School Push In or Pull Out intervention
- **Progress Monitoring:** Using our online data management systems Above & Beyond Learning monitors academic progress for each student, class, grade, and school, and distributes detailed reports every four weeks to parents, teachers, school and district administrators
- **Minimum/Maximum # of Students:** The minimum amount of students needed to provide services is 5. There is no maximum amount of students we can serve
- **Proposed Frequency of Instruction:** We recommend at least two sessions per week, however we will work with your school and district based on your needs
- **Time Period of a Unit of Instruction:** Our minimum time period of unit instruction is 30 minutes, however we recommend 60-90 minutes per session. All instruction must be administered in 30 minute blocks (30, 60, 90, etc...)
